

Welcome back for another year of fun and learning with the Stratford Skating Club and NSSA Inc. We are Stratford's learn-to-skate headquarters!

*We are looking forward to continuing all of our Saturday Preschool, Canskate, Intermediate, Senior and Syncro sessions this coming season.*

### **Learn-To-Skate Programs - Preschool (ages 3-4) and CANSkate (5 and older)**

**Preschool Programs** are designed for children aged 3-4. This program teaches young skaters in a fun learning environment. Children learn through play and action songs. Please note, parents can watch this session from the stands (*Parents are not allowed on the ice. Skate aids are not allowed on the ice.*)

**CANSkate Programs** are designed for children 5 and older. Skate Canada's flagship program is one of the most sought after learn to skate programs in the world. CANSkate was developed by experts to teach the fundamentals of skating in a progressive and sequential manner. Designed for beginners of all ages, the focus is on fun, participation and basic skill development. Skaters are taught in a group lesson format by National Coaching Certification Program (NCCP) certified professional coaches, assisted by trained Program Assistants. **Adult CANSkate** is now a standalone program for adults of all levels. This session runs on Tuesday evenings. Please see our Adult program registration form for more information.

**\*\*\*CSA CERTIFIED HOCKEY HELMETS ARE MANDATORY FOR ALL PRESCHOOL AND CANSKATE PARTICIPANTS.**  
**BIKE HELMETS ARE NOT ACCEPTABLE\*\*\***

### **Figure Skating Levels**

In Figure Skating, skaters are provided the opportunity to further develop their figure skating skills by participating in Dance, Skills, Free Skate and Syncro sessions. These sessions are organized with small group lessons for all StarSkate levels, Intro. to Figure Skating, Intermediate and Senior. The sessions are structured so that skaters have most of their skating time with certified NCCP coaches, some group skating time focused on stroking and edges and some time for self-practice. Registration in these programs is a minimum of twice/week for Intro and three times a week for Intermediate and Senior. Participants start the season in **September**, prior to the Preschool/CANSkate participants starting their season. **Registration fees cover ice time only, coaching fees are billed bi-weekly by the coaches on our Intermediate and Senior sessions. Intro. program fees cover coaching costs.**

For further information about our figure skating sessions and coaching costs associated with these programs, please call Kevin at 519-275-2379.

**All SSC/NSSA Tuesday, Thursday and Saturday sessions are held at the William Allman Arena.  
Monday morning sessions will take place at the Stratford Rotary Complex.  
All Memberships will be registered through Stratford Skating Club.**

### **Skates for All Preschool Skaters**

A pair of skates is all it takes, and now we can help supply the skates. The SSC/NSSA is pleased to partner with the Figure Skating Boutique once again this year to help out our Preschool membership. All Preschool skaters (*three and four year olds*), with SSC/NSSA, will be able to use a pair of figure skates or hockey skates provided by The Figure Skating Boutique for the entire session for free, (**while supplies last**). These skates are yours to use for the duration of the skating season. *The skates will need to be returned to NSSA after your final skating day of the session.* Skates will be distributed in September. Please watch our website and Facebook page for distribution dates. All

Preschool skaters registered prior to the first distribution day, will be contacted with the date and time for them to come and pick up skates. Please note, all skates must be sharpened by NSSA only. **Skates are not to be sharpened by any other sharpening store.**

### **Voluntary Fundraising Campaigns—No More Mandatory Fundraising!**

The SSC/NSSA will be holding a couple 'voluntary fundraising campaigns' during the season. We will offer one campaign in the fall and one in the winter. Participation with these fundraisers is greatly appreciated.

### **Refund Policy**

- No refunds will be given after receipt of registration without supporting Medical documentation. Preschool programs may receive a refund within the first three weeks of the start of the session.
- Refunds will be subject to a \$50 administration fee, Insurance fee, and a fee for the sessions that took place prior to the Doctors note being received. All requests for refunds must be submitted to NSSA in writing. Refunds will only be given automatically to Preschool members on or before the 3<sup>rd</sup> skating week.
- There will be a \$35 charge levied on each N.S.F. cheque or stopped payment cheque returned.

### **Members in Arrears Policy**

- If a member has an NSF with the NSSA, the member will be contacted immediately and an arrangement to replace this NSF amount will be put into place (subject to the Administrations discretion). If this arrangement is not put in place, the skater(s) will not be able to continue in their program(s) until the NSF amount is paid in full.
- If a member has two NSF cheques within one fiscal year, the member will be required to make future payments with a certified cheque, money order, or cash.

### **Movement Within the Club/Academy**

- If the coaching staff assess a skater as ready to move onto a new level within the organization, the coaches will speak with the parents about this possibility. If acceptable, **the difference in fees between the levels must be paid in full prior to moving onto the new level.**

### **Payment/Registration Options**

The NSSA/SSC understands the financial reality of everyday life. We strive to make skating affordable and therefore our Academy offers financial flexibility. Session fees for Preschool and Canskate programs can be divided into THREE payments. For our figure skating programs, the fees can be divided into FIVE payments. **We require full payment or all post-dated cheques at the time of registration.** This is outlined on the registration form. All skaters are welcome to register with the paper registration form and pay by cash or cheque. Registration may also be done online through [www.stratfordskating.ca](http://www.stratfordskating.ca) and payment on-line can be made by Visa or MasterCard. Please note, **etransfers are not accepted.**

### **Please Note**

*At no time are parents/guardians or baby-sitters permitted on the ice, due to insurance coverage.*  
85% of Club/Academy expenses for the season are for ice costs with the City of Stratford.  
Please see final page for start dates for all programs!
